(d) the number of institutions in the wait list for allotment of NCC units in the coun- try, state / UT-wise, and alongwith the ten- tative time period for allotment of wait listed institutions?

Answer

MINISTER OF DEFENCE (SHRI MANOHAR PARRIKAR)

(a) At present there is no such proposal unde consideration.

(b) Does not arise in view of (a) above.

(c) In case of Government institutions funding of all activities is borne by the State & Central Government. In case of Private institutions the share of State Government is borne by the Private institutions in case the same is not paid by State Government. At present, 2461 Private schools and 1140 Private colleges are covered by NCC.

On 22nd July 2014, the Government has approved a scheme for "Out of Turn allotment of NCC cadet strength to institutions on Self Financing Scheme" where NCC activities can be started in institutions which are willing to bear the entire cost of trai- ning. As per the scheme, 31 institutions in diffe- rent States have been identified for the Pilot Project.

d) The State/UT wise details of Government/Private Schools/Colleges in the waitlist for allotment of NCC is attached at Appendix 'A'.

Allotment of NCC to a wait listed institution is subject to authorized strength and training capa- city of a NCC unit as well as occurrence of vaca- ncy. Therefore, a specific time period cannot be fixed for a waitlisted institution to get NCC.
